*Your guide? One of the most respected DISC & Motivator experts in the world, the 9 time award winning educator & consultant, Dr. Michael Abelson (Dr. A). (See our website for dozens of testimonials.)*

### Our DISC & Motivators Certification shows you how to do **IMPOSSIBLE** things ...

**Would you like to learn how to determine if a person is telling the TRUTH?**  
We'll show you 2 ways to determine if they are being truthful!

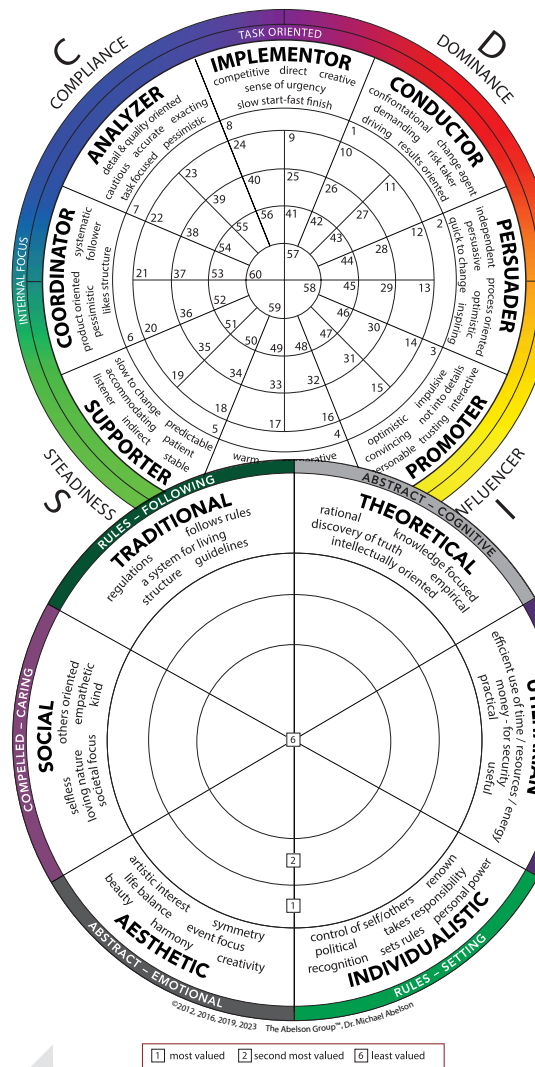

**Would you like to know if people are stressed and how to decrease that stress?**

- We'll show you how to ...
- look at the report and know their stress level
  - know if its personal or work-related stress
  - how to help them decrease that stress

**Would you like to learn how to motivate anyone WITHOUT money?**  
We'll show you how to use the motivators to do just that!

**Would you like to save 100s of hours a year and coach people to do the same?** We'll show you how to use the report yourself and show others to manufacture time.

**Would you like to know how to better use team strengths and minimize team weaknesses?** We'll show you how to use our team report to do that and dozens of other things!

There are so many more techniques and tools you'll get when you enroll in our DISC & Motivators Certification, we can't count them all.
