***This is the ideal program whether you use your new knowledge and techniques to better recruit/hire, better yourself, coach, manager or lead, build your team or do it all.***

***Your guide? One of the most respected DISC & Motivator experts in the world, the 9 time award winning educator & consultant, Dr. Michael Abelson (Dr. A). (See our website for dozens of testimonials.)***

## Our DISC & Motivators Certification shows you how to do **IMPOSSIBLE** things ...

***Would you like to learn how to determine if a person is telling the TRUTH?***  
We'll show you 2 ways!

***Would you like to know if people are stressed and how to decrease that stress?***

We'll show you how to ...  
- identify the stress and more importantly how to decrease that stress no matter what their DISC or Motivators!

***Would you like to learn how to motivate anyone WITHOUT money?***  
We'll show you dozens of ways to do that!

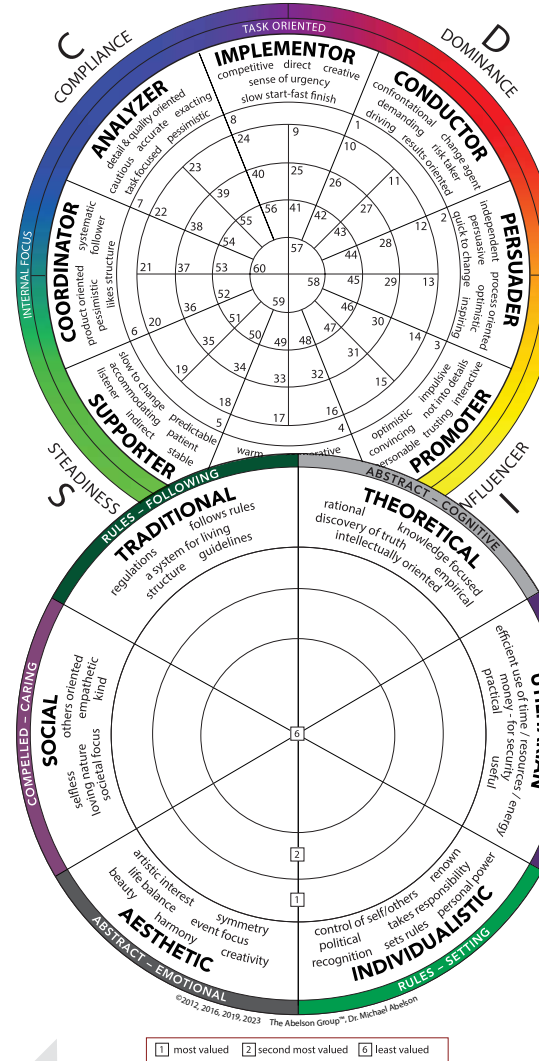

***Would you like to save 100s of hours a year and help people to do the same?***

We'll show you a special section of the report that does exactly that!

***Would you like to know how to better use team strengths and minimize team weaknesses?***

We'll show you Team Dynamics like you've never seen before!

***And we are just getting started!***

There are so many more techniques and tools you'll get when you enroll in our DISC & Motivators Certification, we can't count them all.
